CORAVIN PREMIUM ITALIAN POURS

The Coravin system is a unique way to access premium wines without exposing the wine to oxygen.

Available as a taste, 60ml, or full glass, 150ml.

60ml 150ml

BIANCO

Miani Malvasia / Friuli-Venezia Giulia - 2015

14 35

Situated in north-east Italy in Friuli the minuscule Miani property run by Enzo Pontoni produces less than 700 cases of wine per year. The estate produces, clean, focused, ripe fruited example of both native and international varieties. This malvasia is medium bodied, viscous in texture and presents predominantly stone fruit flavours - a rare treat to taste wine from a much sort after producer.

Ottaviano Lambruschi ~ Costa Marina Vermentino / Liguria - 2013

11 26

The north-west coastal region of Liguria is home to some of Italy's greatest expressions of vermentino - a light to medium bodied variety. A fresh style of wine with no oak contact it finds itself most comfortable alongside fresh seafood and pasta dishes.

SKIN CONTACT WHITE

☪ *Radikon* Pinot Grigio / Friuli-Venezia Giulia - 2014

11 27

The late Stanko Radikon championed the long maceration on skins of destemmed white varieties. This pinot grigio is anything but typical - driven by a sweet-and-sour bitter grapefruit palate. It's acidity is a perfect way to stimulate ones appetite or pair with a diverse range of dishes. Bottled unfiltered, unfiltered and with minimal sulphur.

☪ *La Stoppa ~ Ageno* Malvasia, Ortrugo, Trebbiano / Emilia-Romagna - 2011

11 27

La Stoppa's Ageno is sure to polarise. Having spent 30 days on skins this wine radiates a copper-orange hue. The palate is exotic, primarily communicating tart orange citrus and dried spice. Bottled without sulphur from organically managed vineyards this wine will stand up to even red meat dishes and satisfy curious palates in search of something savoury and new.

ROSSO

☪ *Pian dell'Orino ~ Brunello di Montalcino* Sangiovese / Tuscany - 2011

22 54

The appellation of Brunello di Montalcino that surrounds the town of Montalcino south of Florence produces some of the most complex, long lived wines in Italy. By definition these Tuscan wines may only be assembled from sangiovese grapes. Although a new comer, Pian dell'Orino has already established credibility with excellent vineyard positioning and sustainable vineyard practices that yield one of the finest wines of the region.

☪ *I Vigneri di Salvo Foti ~ Vinupetra* Nerello Mascalese, Nerello Cappuccio, Alicante, Francisi / Sicily - 2012

14 33

Sourced from a densely planted hundred year old vineyard on Mt. Etna this savoury medium bodied red is full of personality. Predominantly comprised of the native variety nerello mascalese, it gives the impression of a hypothetical mix of pinot noir and nebbiolo. This vintage displays aromas and flavours of cherry, blackcurrant, iron, leather and earl grey tea.
