BIANCO

Miani ~ Filip Friulano / Friuli-Venezia Giulia - 2015

20 50

Situated in north-east Italy in Friuli the minuscule Miani property run by Enzo Pontoni produces less than 700 cases of wine per year. The estate produces clean, focused, ripe fruited example of both native and international varieties. This friulano is light-medium bodied, is fresh in terms of acidity that highlights the crunchy green fruits - a rare treat to taste wine from a much sort after producer.

Ca'Marcanda, Gaja Toscana ~ Vistamare Vermentino, Viognier / Tuscany - 2015

14 34

Gaja is a legendary Piedmont producer in north-west Italy whose vineyard holdings expanded in the mid-nineties with the purchase of a Bolgheri property on the Tuscan coast called Ca'Marcanda. A blend of stainless steel fermented vermentino that brings a saline freshness paired to oak aged viognier providing depth and breadth.

SKIN CONTACT WHITE

☪ Radikon ~ Blue - Ribolla Ribolla Gialla / Friuli-Venezia Giulia - 2009

15 38

The late Stanko Radikon championed the long maceration on skins of destemmed white varieties. His purest expression is without doubt the native variety ribolla gialla. The wines acidity is a perfect way to stimulate ones appetite while is complex flavour and dense texture provide versatility when paired to food. Grapes are macerated for up to four months before being transferred to large cask for 4 years maturation. It is then bottled and undergoing its final aging in bottle for 2 years unfiltered and with no sulphur.

☪ La Stoppa ~ Ageno Malvasia, Ortrugo, Trebbiano / Emilia-Romagna - 2011

11 27

La Stoppa's Ageno is sure to polarise. Having spent 30 days on skins this wine radiates a copper-orange hue. The palate is exotic, primarily communicating tart orange citrus and dried spice. Bottled without sulphur from organically managed vineyards this wine will stand up to even red meat dishes and satisfy curious palates in search of something savoury and new.

ROSSO

☪ Salvioni ~ Brunello di Montalcino Sangiovese - 2011

32 76

The appellation of Brunello di Montalcino that surrounds the town of Montalcino south of Florence produces some of the most complex, long lived wines in Italy. By definition these Tuscan wines may only be assembled from sangiovese grapes. Salvioni's limited production makes the wines highly sort after by collectors - one of the great producers of Brunello alongside Biondi Santi & Soldera.

Elvio Cogno ~ Ravera ~ Barolo Nebbiolo / Piedmont - 2012

16 40

A large, respected cru that crosses both the Novello and Barolo communes of which Elvio Cogno's expressions are considered a benchmark. This south facing vineyards fruit is matured in a traditional matter for 24 months in large format Slovenian oak. A Barolo whose fullness of ripe fruit helps guide spice and well integrated tannin.
